ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 7, 2018

April 20, 2018

Dear Stockholder:

You are cordially invited to attend the Annual Meeting of Stockholders of Monster Beverage Corporation (the "Company") to be held on Thursday, June 7, 2018 at 2:00 p.m. local time, at our corporate offices, located at 1 Monster Way, Corona, California 92879 (the "Annual Meeting"). This proxy is solicited on behalf of the Board of Directors of the Company.

In addition to the specific matters to be voted on at the Annual Meeting that are listed in the accompanying notice, there will be a report on the Company's business and an opportunity for stockholders of the Company to ask questions.

We are pleased to take advantage of the U.S. Securities and Exchange Commission rule that allows companies to furnish proxy materials to their stockholders over the internet. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") instead of a paper copy of this proxy statement and our Annual Report to Stockholders for the fiscal year ended December 31, 2017. We believe this process allows us to provide our stockholders with the information they need in a timely manner, while reducing the environmental impact and lowering costs of printing and distributing our proxy materials. The Notice contains instructions on how to access those documents over the internet. The Notice also contains instructions on how to request a paper copy of our proxy materials, including this proxy statement, our Annual Report to Stockholders for the fiscal year ended December 31, 2017 and a form of proxy card or voting instruction card.

I hope that you will be able to join us. Your vote is important to us and to our business. I encourage you to vote by telephone, over the internet, or if you requested to receive printed proxy materials, by marking, signing, dating and returning your proxy card so that your shares will be represented and voted at the Annual Meeting, whether or not you plan to attend. If you attend the Annual Meeting, you will, of course, have the right to revoke the proxy and vote your shares in person.

The proxy materials, including this proxy statement and our Annual Report to Stockholders for the fiscal year ended December 31, 2017, are being distributed and made available on or about April 20, 2018.

Sincerely,

/s/ Rodney C. Sacks

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The Board of Directors of Monster Beverage Corporation (“Monster” or the “Company”) is soliciting proxies to be voted at the Annual Meeting of Stockholders of the Company (the “Annual Meeting”) to be held on Thursday, June 7, 2018 at 2:00 p.m. local time, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders of the Company. The Annual Meeting will be held at the Company’s executive offices located at 1 Monster Way, Corona, California 92879. In this proxy, unless the context requires otherwise, references to “we”, “our”, or “us” refer to Monster.

The proxy materials, including this proxy statement and our Annual Report to Stockholders for the fiscal year ended December 31, 2017, are being distributed and made available on or about April 20, 2018. This proxy statement contains important information for you to consider when deciding how to vote on matters brought before the Annual Meeting. Please read it carefully.

Notice of Internet Availability of Proxy Materials

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide our stockholders access to our proxy materials over the internet. Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) will be mailed on or about April 20, 2018 to our stockholders who owned the Company’s common stock, par value \$0.005 per share (the “Common Stock”), at the close of business on April 13, 2018. Stockholders will have the ability to access the proxy materials on a website referred to in the Notice, or request that a printed set of the proxy materials be sent to them by following the instructions in the Notice.

Householding

If you are a beneficial owner, your bank or broker may deliver a single proxy statement, along with individual proxy cards, or individual Notices to any household at which two or more stockholders reside unless contrary instructions have been received from you. This procedure, referred to as householding, reduces the volume of duplicate materials shareholders receive and reduces mailing expenses. Stockholders may revoke their consent to future householding mailings or enroll in householding mailings by contacting American Stock Transfer and Trust Company, LLC, 1-800-937-5449, or by writing to American Stock Transfer and Trust Company, LLC, 6201 15th Ave, Brooklyn, NY 11219. Alternatively, if you wish to receive a separate set of proxy materials for this year’s Annual Meeting, we will deliver them promptly upon request to Monster Beverage Corporation, 1 Monster Way, Corona, CA 92879 or by calling (951) 739-6200 or (800) 426-7367.

Record Date, Outstanding Voting Securities

Holders of record of Common Stock at the close of business on April 13, 2018 are entitled to notice of, and to vote at, the Annual Meeting. Each share entitles its holder to one vote. As of the record date, 562,638,999 shares of our Common Stock were issued and outstanding. There are no other outstanding voting securities of the Company.

[Table of Contents](#)

Quorum

The presence, in person or by proxy, of the holders of one-third of the shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Such stockholders are counted as present at the Annual Meeting if they (i) are present in person at the Annual Meeting or (ii) have properly submitted their vote by telephone, over the internet, or by returning their proxy card. Abstentions and withheld votes will be counted for determining whether a quorum is present for the Annual Meeting.

Required Vote

In accordance with the Company’s by-laws:

- Directors are elected by the affirmative vote of a plurality of the votes cast in person or by proxy by the holders of shares of Common Stock entitled to vote in the election at the Annual Meeting (if any nominee for director receives a greater number of votes “withheld” than votes “for” such election, our director resignation policy requires that such person must promptly tender his or her resignation to the Board following certification of the results);
- The ratification of Deloitte & Touche LLP as the Company’s independent registered public accounting firm shall be by the affirmative vote of the majority of the votes cast on the proposal in person or by proxy at the Annual Meeting (meaning the number of shares voted “for” a proposal must exceed the number of shares voted “against” such proposal);
- The approval, on a non-binding, advisory basis, of the compensation of the Company’s named executive officers shall be by the affirmative vote of the majority of the votes cast on the proposal in person or by proxy at the Annual Meeting (the “Say-on-Pay Proposal”);

· The approval of a stockholder proposal regarding a report containing the criteria and analytical methodology used to determine the Company’s conclusion of “minimal risk” of slavery and human trafficking in its sugarcane supply chain, if properly presented at the Annual Meeting, shall be by the affirmative vote of the majority of the votes cast on the proposal in person or by proxy at the Annual Meeting (the “Slavery and Human Trafficking Report Proposal”);

in each case, provided a quorum is present.

With respect to the election of directors, you may vote “for” or “withhold” authority to vote for each of the nominees for the Board. If you “withhold” authority to vote with respect to one or more director nominees, your vote will have no effect on the election of such nominees (except with respect to the director resignation policy). Broker non-votes will have no effect on the election of the nominees. With respect to the other proposals, you may vote “for”, “against” or “abstain” from voting. If you “abstain” from voting, your vote will have no effect on these proposals. Broker non-votes will also have no effect on the vote for these proposals.

Non-Discretionary Proposals

If you are a beneficial owner and hold your shares in street name and do not provide the organization that holds your shares with voting instructions, the broker or other intermediary will determine if it has the discretionary authority to vote on the particular matter. Brokers and other intermediaries may not vote uninstructed shares in (i) the election of directors, (ii) the approval of the Say-on-Pay Proposal and (iii) the approval of the Slavery and Human Trafficking Report Proposal. If your shares are held by a broker or other intermediary and you do not instruct your broker or other intermediary how to vote for each of these proposals, no votes will be cast on your behalf. Therefore, it is important that you cast your vote if you want it to count for each of these proposals.

[Table of Contents](#)

Discretionary Proposals

Brokers that do not receive instructions are entitled to vote on the ratification of the independent registered public accounting firm.

No stockholder shall be entitled to cumulative voting. American Stock Transfer & Trust Company (“AST”) will receive and tabulate the proxies.

Board of Directors’ Recommendations

The Board of Directors of the Company (the “Board of Directors” or the “Board”) recommends a vote:

- “FOR” each of the nominees to the Board (Proposal One);
- “FOR” the ratification of Deloitte & Touche LLP as our independent registered public accountants for fiscal year 2018 (Proposal Two);
- “FOR” the Say-on-Pay Proposal (Proposal Three); and
- “AGAINST” the Slavery and Human Trafficking Report Proposal (Proposal Four).

How to Vote

If on April 13, 2018 your shares are registered directly in your name with the Company’s registrar and transfer agent, AST, you are considered a stockholder of record with respect to those shares, and the Notice was sent to you directly by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting.

If you are a stockholder of record and you sign and submit a proxy card, but you do not provide voting instructions on the card, your shares will be voted “FOR” proposals 1, 2 and 3 and “AGAINST” proposal 4.

If on April 13, 2018 your shares are held in a brokerage account, bank, broker-dealer, trust or similar organization, you are considered the “beneficial owner” of those shares held in street name, and the Notice was forwarded to you by that organization. The organization that holds your shares is considered the stockholder of record for purposes of voting at the Annual Meeting. Because you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from the organization that holds your shares giving you the right to vote your shares at the Annual Meeting. As the beneficial owner, you have the right to direct your broker or other intermediary how to vote your shares, and you are also invited to attend the Annual Meeting.

Your vote is very important to us and we hope that you will attend the Annual Meeting. However, whether or not you plan to attend the Annual Meeting, please vote by proxy in accordance with the instructions on your proxy card, voting instruction form (from your broker or other intermediary) or the instructions that you received through electronic mail. There are three convenient ways of submitting your vote:

- **By Telephone or Internet** - All stockholders of record can vote by touchtone telephone from the U.S. using the toll free telephone number on the proxy card, or over the internet using the procedures and instructions described on the proxy card. Beneficial owners may vote by telephone or internet if their broker or other intermediary makes those methods available, in which case the broker or other intermediary will enclose the instructions with the proxy materials. The telephone and internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to vote their shares, and to confirm that their instructions have been recorded properly.
- **In Person** - All stockholders of record may vote in person at the Annual Meeting. Beneficial owners may vote in person at the Annual Meeting if their broker or other intermediary has furnished a legal proxy. If you are a beneficial owner and would like to vote your shares by proxy, you will need to ask your broker or other intermediary to furnish you with a legal proxy. You will need to bring the legal proxy with you to the Annual Meeting and hand it in with a signed ballot that will be provided to you at the Annual Meeting. You will not be able to vote your shares without a legal proxy.
- **By Written Proxy** - All stockholders of record can vote by written proxy card, if they have requested to receive printed proxy materials. If you are a beneficial holder and you requested to receive printed proxy materials, you will receive a written proxy card and a voting instruction form from your broker or other intermediary.

Revocability of Proxies

If you are a stockholder of record, you may revoke your proxy and change your vote at any time before the Annual Meeting by: (i) delivering a written notice of revocation to the Office of the Secretary at the Company's principal executive offices; (ii) voting again over the internet or by telephone (only your latest internet or telephone proxy submitted prior to the Annual Meeting will be counted) or, if you requested and received written proxy materials, by signing and returning a new proxy card with a later date; or (iii) by attending the Annual Meeting and voting in person.

If you are a beneficial owner, you may revoke your proxy and change your vote at any time before the Annual Meeting by: (i) submitting new voting instructions to your broker or other intermediary; or (ii) if you have obtained a legal proxy from your broker or other intermediary, by attending the Annual Meeting and voting in person.

Solicitation

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. In addition to solicitation by use of the mail or via the internet, proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, facsimile or letter. In addition, the Company has engaged D.F. King & Co., Inc. to act as its proxy solicitor and has agreed to pay approximately \$10,000.00 plus reasonable expenses for such services.

PRINCIPAL STOCKHOLDERS AND SECURITY OWNERSHIP OF MANAGEMENT

The following table sets forth, as of the most recent practical date, April 3, 2018 (unless otherwise noted below), the beneficial ownership of the Company's Common Stock of (a) those persons known to the Company to be the beneficial owners of more than 5% of the Company's Common Stock; (b) each of the Company's directors and nominees for director; (c) the Company's named executive officers; and (d) all of the Company's current directors and executive officers as a group. In computing the number and percentage of shares beneficially owned by each person, we include any shares of Common Stock that could be acquired within 60 days of April 3, 2018 by the exercise of options or the vesting of restricted stock units. Such shares, however, are not counted in computing the percentage ownership of any other person.

PROPOSAL ONE

ELECTION OF DIRECTORS

Nominees

The Board is currently comprised of ten members, each of whom is a director nominee to be elected at the Annual Meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's ten nominees named below. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by the present Board to fill the vacancy. The Company is not aware of any nominee who will be unable or expects to decline to serve as a director. The term of office of each person elected as a director will continue until the 2019 annual meeting or until a successor has been elected and qualified.

The Board has a director resignation policy. This policy provides that, in an uncontested election, any incumbent director nominee who receives a greater number of votes "WITHHELD" from his or her election than votes "FOR" his or her election must promptly tender his or her resignation to the Board following certification of the election results. The Nominating Committee of the Board of Directors (the "Nominating Committee") will review the circumstances surrounding the election and recommend to the Board whether to accept or reject the resignation. The Board must act on the tendered resignation. If such resignation is rejected, the Board must publicly disclose its decision, together with the rationale supporting its decision, within 90 days after certification of the election results. A copy of the director resignation policy is available on our website at <http://investors.monsterbevcorp.com/governance.cfm>.

Non-Employee Director Stock Ownership Policy

The Board has adopted stock ownership requirements for non-employee directors. These requirements provide that each non-employee director of the Company has three years from the date of appointment to satisfy the minimum stock ownership requirement and hold a minimum of 9,000 shares of Common Stock. During 2017, all non-employee directors complied with the non-employee director stock ownership policy.

[Table of Contents](#)

Anti-Hedging Policy

In 2018, the Board amended the Company’s Insider Trading Policy to adopt an anti-hedging policy. The anti-hedging policy prohibits the Company’s Directors, officers and employees from engaging in transactions that use any financial instrument that is designed to hedge or offset any decrease in the market value of the Company’s Common Stock, including prepaid variable forward contracts, collars and exchange funds.

Director Resignation Policy

The Board has a director resignation policy. This policy provides that, in an uncontested election, any incumbent director nominee who receives a greater number of votes “WITHHELD” from his or her election than votes “FOR” his or her election must promptly tender his or her resignation to the Board following certification of the election results. The Nominating Committee will review the circumstances surrounding the election and recommend to the Board whether to accept or reject the resignation. The Board must act on the tendered resignation. If such resignation is rejected, the Board must publicly disclose its decision, together with the rationale supporting its decision, within 90 days after certification of the election results. A copy of the director resignation policy is available on our website at <http://investors.monsterbevcorp.com/governance.cfm>.

Board Leadership Structure

The Board of Directors does not have a policy on whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee. The Board of Directors believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and its stockholders. The Board believes that the Company’s current Chief Executive Officer is best situated to serve as Chairman of the Board. Rodney C. Sacks has led the Company for over 28 years and therefore is highly knowledgeable with respect to the Company’s business, operations and industry. Mr. Sacks is well positioned to identify strategic priorities and lead the Board’s consideration and analysis of such priorities. The Board believes that the combined role of Chairman and CEO promotes consistency and efficiency in the development and execution of the Company’s business strategy.

Lead Independent Director

In March 2014, the independent directors of the Board approved a Lead Independent Director Charter. Under the Lead Independent Director Charter, if the offices of Chairman of the Board and Chief Executive Officer are held by the same person, the independent members of the Board of Directors will annually elect with a majority vote an independent director to serve in a lead capacity. Although elected annually, the Lead Independent Director is generally expected to serve for more than one year. The Lead Independent Director may be removed or replaced at any time with or without cause by a majority vote of the independent members of the Board.

Mr. Vidergauz is currently the Lead Independent Director. In this capacity, Mr. Vidergauz is, among other things, responsible for leading executive sessions of the independent directors and serving as the principal liaison between the Chairman, Vice Chairman and the independent directors. A copy of the Lead Independent Director Charter is available on our website at <http://investors.monsterbevcorp.com/governance.cfm>.

The Board's Role in Risk Oversight

The Board of Directors plays an active role in overseeing and managing the Company's risks. The full Board and its Executive Committee regularly review the Company's results, performance, operations, competitive position, business strategy, liquidity, capital resources, product distribution and development, material contingencies and senior personnel, as well as the risks associated with each of these matters. The Board implements its risk oversight function both as a whole and through its standing committees. Certain of the work is delegated to committees, which meet regularly and report back to the full Board. The Compensation Committee oversees management of risks related to the Company's compensation policies and practices. The Audit Committee oversees management of risks related to financial reporting and internal controls. The full Board also discusses risk throughout the year during meetings in relation to specific proposed actions including risks related to cybersecurity and reputation. These processes are designed to ensure that risks are taken knowingly and purposefully. The Board believes that its role in oversight of risk management (as well as the role of the Compensation Committee and the Audit Committee) has not adversely affected its leadership structure or results of operations.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Our executive compensation program for our NEOs, as described in the following pages, is designed to emphasize equity compensation in the form of stock options, restricted stock and/or restricted stock units in addition to cash compensation as a means of motivating and retaining executive talent, rewarding executives fairly over time for performance relative to business plan goals and creating sustainable shareholder value through continued profitable growth. The program is designed to reinforce ownership and

[Table of Contents](#)

overall entrepreneurialism and to link rewards to measurable corporate and qualitative individual performance. The program, although not formulaic in its approach, is based on long-standing principles that reward sustained, relative outperformance. When making compensation decisions, the Company's performance versus its internal goals and external benchmarks are considered. Consideration is also given to operating performance and shareholder returns, as well each NEO's role in enhancing operating performance and shareholder returns. In applying these principles we integrate cash and equity incentive compensation programs with our short- and long-term strategic plans in order to align the interests of our NEOs with the long-term interests of our stockholders. The Compensation Committee annually evaluates risks and rewards associated with the Company's overall compensation philosophy and structure and does not believe the program promotes excessive risk-taking.

With respect to specific elements of compensation, base salary is a fixed amount to secure executive service, the annual cash bonus opportunity is designed to incentivize and reward achievement of short-term financial and operating performance, and equity

grants that vest over multi-year periods are designed to reward long-term financial and stock price performance as well as serve as a key retention vehicle for our executive talent. While the Compensation Committee intends for compensation levels to be competitive relative to similarly-situated executives at companies of comparable size and scope of operations, no specific market positioning or percentile is targeted as a matter of practice.

Setting Executive Compensation

The compensation programs for our NEOs are generally administered by or under the direction of the Compensation Committee (in the case of Rodney Sacks, the Chairman and Chief Executive Officer, and Hilton Schlosberg, the Vice Chairman and President) and the Executive Committee (in the case of the other NEOs). The compensation program is benchmarked annually to ensure that remuneration levels and benefits are competitive and reasonable and continue to achieve the goals set forth in our compensation philosophy. In reviewing the compensation for Mr. Sacks and Mr. Schlosberg, the Compensation Committee recognizes that Mr. Sacks and Mr. Schlosberg serve as our co-leaders. Given the long-term complementary nature of their leadership and their contributions to our success, the Compensation Committee has determined it is appropriate to continue to compensate them equally.

For 2017 compensation decisions, the Compensation Committee retained the independent compensation consulting firm, Frederic W. Cook & Co., Inc. (“FW Cook”), to provide competitive market data and make recommendations to the Board with respect to compensation for non-employee directors; to the Compensation Committee with respect to compensation for Mr. Sacks and Mr. Schlosberg and to the Executive Committee with respect to compensation for our other NEOs and senior management. FW Cook reports directly to the Compensation Committee and did not perform any other services for the Company in 2017 other than consultation on a long-term incentive plan for non-senior management. Following an independence assessment of FW Cook during 2017, the Compensation Committee determined that the services provided by FW Cook did not raise any conflicts of interest.

The Compensation Committee considers relevant market pay practices and individual and Company performance when setting executive compensation. We do not set compensation at a targeted percentile level relative to the market, but we seek to provide salary, incentive compensation opportunities and employee benefits that are generally competitive within the consumer products industry, the food and beverage industry and within the labor markets in which we participate. Within this framework, we generally seek to keep salary and cash bonuses below the median for our NEOs, with equity awards providing enhanced compensation opportunities. We gather market compensation data to provide context, but we also consider Company and individual performance, as well as our recruiting and internal retention experience when making executive compensation decisions.

[Table of Contents](#)

The Compensation Committee consulted with FW Cook in late 2016 to conduct a 2017 competitive market analysis (the “Early 2017 Market Analysis”) using a comparison group of similarly-sized, high-performing U.S. food and beverage and consumer products companies (the “Early 2017 Peers”). As market compensation levels are correlated to revenues for cash compensation and market capitalization for equity compensation, the Compensation Committee selects its peer companies using objective size criteria for each metric. For the Early 2017 Peers, and based on the Company’s size at that time, the size criteria used for the peer group screening were revenues less than \$20.0 billion and market capitalizations between \$6 billion and \$100 billion (25% to 400% of the Company’s market capitalization, consistent with broad market practice). The Early 2017 Peers were the same as the peers referenced in 2016, with the exceptions of the removal of Coca-Cola Enterprises, Inc. and Keurig Green Mountain, Inc., due to corporate activity. The resulting Early 2017 Peers composed of 19 companies is shown below:

- Brown-Forman Corporation
- Campbell Soup Company
- Chipotle Mexican Grill, Inc.
- Yum! Brands
- Constellation Brands Inc.
- Dr. Pepper Snapple Group, Inc.
- Starbucks Corporation
- The Estee Lauder Cos.
- The Hain Celestial Group, Inc.
- L Brands
- The Hershey Company
- The J.M. Smucker Company
- Mead Johnson Nutrition Company
- Michael Kors Holdings Limited
- Molson Coors Brewing Company
- PVH
- Ralph Lauren
- Under Armour, Inc.
- V.F. Corporation

The Early 2017 Market Analysis was considered in determining the NEOs’ 2017 base salaries and equity grant values.

In December 2017, subsequent to FW Cook’s review of the Early 2017 Peers, the Committee removed Mead Johnson Nutrition Company following its acquisition by Reckitt Benckiser, resulting in the 18-company Late 2017 Peer Group (the “Late 2017 Peers”). As such, compensation and performance data of the Late 2017 Peers were considered in determining 2017 bonuses and 2018 base salaries for our NEOs.

Taking into consideration the Early 2017 Market Analysis, the Compensation Committee set Mr. Sacks’ and Mr. Schlosberg’s 2017 cash compensation below the median of the Early 2017 Peers, and granted above-median equity compensation to them in order to align their interests over the long-term with those of our stockholders. The Early 2017 Market Analysis noted that the performance of the Company was above the peer median in three-year revenue and earnings per share (“EPS”) growth, return on capital, and both three- and five-year Total Shareholder Return (“TSR”). This level of operating and TSR performance, which was considered significant by the

Compensation Committee, was factored into the compensation decisions. Over the last three years, the Company's revenue growth, earnings per share growth and operating income return on invested capital were at or above the Early 2017 Peers 75th percentile. This long-term high operating performance and high market cap are part of the justification for the total compensation of Mr. Sacks and Mr. Schlosberg being roughly consistent with the Early 2017 Peers 75th percentile. The peer group data is only one reference point used by us when making compensation decisions. However, we generally believe that reviewing and analyzing such pay and performance information is an important component of our executive compensation decision-making process.

[Table of Contents](#)

The 2017 stock option and restricted stock unit awards granted to Mr. Sacks and Mr. Schlosberg were made under our annual grant philosophy as well as to reward for the Company's continued strong performance in 2016 and further align their interests with our stockholders. Recent equity awards granted to Mr. Sacks and Mr. Schlosberg vest over a three-year period with the exception of certain stock awards granted in March 2017 and 2018, which were granted in lieu of a portion of 2016 and 2017 cash bonuses, and as a result, were fully vested at grant to equate to a cash award.

Compensation decisions for Mr. Kelly and Mr. Hall were discretionary and not based on specific performance targets. However, the Company considered FW Cook's competitive market analysis for guidance in determining the total compensation for Mr. Kelly and Mr. Hall. The compensation levels for Mr. Kelly and Mr. Hall were generally set relative to the market data in a manner similar to Mr. Sacks' and Mr. Schlosberg's, with below-median salaries and cash bonuses offset by above-median long-term equity compensation value through stock options, in order to emphasize continued shareholder growth and to recognize that options have been an effective incentive for motivating performance. Recent equity awards granted to Mr. Hall vest over a three- or five-year period. Recent equity awards granted to Mr. Kelly vest over a five-year period.

We view all components of compensation as related but distinct. We determine the appropriate level for each compensation component, based in part, but not exclusively, on competitive benchmarks gathered through our recruitment and retention experience, our review of internal comparatives as well as other considerations we deem relevant, such as rewarding for individual as well as for corporate performance. We believe that equity awards effectively reward for long-term performance and are an important compensation-related motivator to attract and retain executives through the various vesting periods and promote sharing in the value they create. Except as described herein, neither our Compensation Committee nor our Executive Committee have adopted any formal or informal policies or guidelines for allocating compensation between short-term and long-term and current compensation between cash and non-cash compensation. However, our Compensation Committee and Executive Committee's respective philosophy is that a greater percentage of our NEOs' compensation should be rewarded in long-term equity rather than short-term cash, and we believe that this philosophy has benefited our long-term performance by attracting, retaining, and motivating a long-tenured NEO group that has built significant long-term value for our shareholders. Compensation packages for each of our NEOs are tailored to each individual NEO's circumstances by the Compensation Committee and/or the Executive Committee, as appropriate, and are largely based on subjective evaluations of Company and individual performance. Each element of compensation is determined differently for each individual NEO, based on a variety of facts and circumstances applicable at the time and specific to that NEO.

Our Compensation Committee and Executive Committee perform an annual strategic review of compensation paid to our NEOs to determine whether they have provided adequate incentives and motivation to such NEOs, and whether they adequately compensate our NEOs relative to comparable officers in other companies with which we compete for executives. For compensation decisions, including decisions regarding the grant of equity compensation relating to NEOs, other than our Chairman and Chief Executive Officer and our Vice Chairman and President, the Compensation Committee specifically considers recommendations from the Executive Committee.

Results of 2017 Advisory Vote to Approve Executive Compensation

At our 2017 annual meeting of Stockholders, 85.0% of the votes cast were in favor of our advisory resolution regarding the compensation of our NEOs. The Compensation Committee believes this affirms the stockholders' support of the Company's pay-for-performance philosophy with respect to executive compensation. No changes were made to the compensation program for NEOs as a direct response to the result of the vote. The Compensation Committee will continue to consider the results of future advisory votes on executive compensation.

Compensation Program Components

Our NEO compensation currently has three primary components: base salary, annual cash bonus, and equity awards granted pursuant to our 2011 Incentive Plan.

Each of the primary components of NEO compensation is discussed below.

Base Salary

Base salaries for our NEOs are established based on the scope of their individual responsibilities, taking into account competitive market remuneration paid by other companies for individuals in similar positions. We set NEO base compensation at levels which we believe enable us to retain individuals in a competitive environment (but without any fixed formula) and reward performance based upon contributions to our overall business goals. We may also utilize input on compensation from compensation consultants, executive search firms and market data when making crucial hiring decisions.

The Compensation Committee of the Board determines the base salaries for Mr. Sacks and Mr. Schlosberg and the Executive Committee determines the base salaries for the other NEOs.

For 2017, the annual base salary for each of Mr. Sacks and Mr. Schlosberg were increased from \$700,000 to \$750,000 to align their base salaries with approximately the 20th percentile of our Early 2017 Peers. For 2017, Mr. Hall's annual base salary was increased from \$550,000 to \$600,000 and Mr. Kelly's annual base salary was increased from \$330,000 to \$350,000, to better align their base salaries with our peer group.

Annual Cash Bonus Opportunity

We provide incentive compensation to our NEOs partly in the form of a discretionary annual cash bonus based on a qualitative review of individual and company-wide financial and operational performance, consistent with our emphasis on pay-for-performance incentive compensation programs. The Compensation Committee determines the annual bonuses for Mr. Sacks and Mr. Schlosberg and the Executive Committee (comprised of the Chairman and Chief Executive Officer and the Vice Chairman and President) determines the annual bonuses for the other NEOs.

Consistent with prior years, the 2017 cash bonuses were not determined in a formulaic manner. In determining 2017 bonus awards, our Compensation Committee and Executive Committee considered all of our performance achievements and reviewed various strategic factors, including sales revenues, high relative profit growth, distribution levels, introduction of new products, corporate partnerships, overall operating performance, contribution margins, profitability and TSR, which are used as a broad guide of overall performance. We generally utilize annual cash bonuses to reward performance for the time horizon of one year. Consistent with the Company's strategy of focusing on long-term equity over short-term cash compensation, the bonus payments have been relatively low compared to our peer group.

The actual amount of the annual bonus is determined and paid in the first quarter following a qualitative review of each NEO's individual performance and contribution to our strategic goals during the prior year. The 2017 bonus awards for each of Mr. Sacks and Mr. Schlosberg were \$924,000, \$350,000 for

[Table of Contents](#)

Mr. Hall and \$180,000 for Mr. Kelly. In early 2018, Mr. Sacks and Mr. Schlosberg were each awarded 7,870 fully vested shares of stock valued at \$462,000; this stock grant represented approximately one-half of their total bonus payout for 2017. The purpose of paying a portion of their 2017 bonus in equity was to increase the alignment of their interests with shareholders. The remaining portion of their 2017 bonus awards, and the full 2017 bonus awards for the other NEOs, were paid in cash.

Long-Term Incentive Program

We believe that long-term performance is achieved through an ownership culture that encourages superior performance by our NEOs through the use of equity awards and, as a result, the compensation program emphasizes equity awards over cash compensation. Our equity compensation plans have been established to provide our NEOs with incentives to further align their interests with the interests of our stockholders and such interests are aligned through the granting of options and restricted stock units. Equity compensation to our NEOs generally vests over three to five years. Stock options are our preferred form of long-term incentive compensation because we believe they are simple, tax-deferred, and inherently performance-based with value earned only if the price of our common stock appreciates after the options are granted. In 2017, Mr. Sacks and Mr. Schlosberg were granted an equal, value-based mix of stock options and restricted stock units in order to provide a growth incentive as well as a long-term employment retention incentive.

The Compensation Committee of the Board reviews and approves equity awards to our NEOs based upon compensation data principally gathered through a market analysis conducted by our independent compensation consultants, our recruiting and retention experience, our qualitative assessment of individual performance, as well as a review of each NEO's current long-term incentives and retention considerations.

On March 14, 2017, each of Mr. Sacks and Mr. Schlosberg were granted the following number of non-qualified stock option grants with a per share exercise price of \$46.27, the fair market value of a share of our stock on the date of grant, as determined under the 2011 Incentive Plan: Mr. Sacks – 305,500 options; and Mr. Schlosberg – 305,500 options. The options granted to each of Mr. Sacks and Mr. Schlosberg vest in three equal annual installments on each of March 14, 2018, 2019 and 2020, subject to their continued employment through each vesting date.

On March 14, 2017, each of Mr. Sacks and Mr. Schlosberg were granted 116,100 restricted stock units that vest in three equal annual installments on each of March 14, 2018, 2019 and 2020, subject to their continued employment through each vesting date.

On December 1, 2016, Mr. Hall and Mr. Kelly were granted 100,000 and 40,000 non-qualified stock options grants respectively under the 2011 Incentive Plan for 2017. In light of the December 2016 grants, Mr. Kelly and Mr. Hall did not receive a further grant in 2017.

Deferred Compensation

In December 2017, we amended and restated the Monster Beverage Corporation Deferred Compensation Plan (the “Deferred Compensation Plan”), effective January 1, 2017, which is a sub plan to our 2011 Incentive Plan. Under the Deferred Compensation Plan, eligible employees may elect to defer cash and/or equity based compensation and to receive the deferred amounts, together with an investment return (positive or negative), in the future.

[Table of Contents](#)

Other Compensation

Certain NEOs who are parties to employment agreements will continue to be subject to such agreements in their current form based on the terms of such agreements, or upon renewal should the Compensation Committee determine in its discretion that revisions to such employment agreements are recommended. For a summary description of the terms of these agreements, see “Discussion of Summary Compensation Table - Agreements with Named Executive Officers” below.

In addition, we intend to continue to maintain our current contracted benefits and perquisites for our NEOs. The perquisites include payment of the cost and expense for personal use of a Company automobile or an automobile allowance and the payment of benefit premiums under certain employee benefit plans. In addition, pursuant to their employment agreements, Mr. Sacks and Mr. Schlosberg are entitled to receive initial and annual fees and all other reasonable expenses relating to membership in up to two business or social clubs selected by the executive. However, the Compensation Committee in its discretion may revise, amend or add to such NEO’s benefits and perquisites if it deems it advisable. We believe these benefits and perquisites are currently in line with those provided by comparable companies within the consumer products industry, the food and beverage industry and within the labor markets in which we participate, for similarly situated executives, based principally on information gathered through our recruiting and retention experience.

Stock Ownership Guidelines for Chief Executive Officer, President and Chief Financial Officer

In 2018, the Board adopted stock ownership guidelines (the “Executive Officer Stock Ownership Guidelines”) to further align the interests of the Company’s CEO, President and Chief Financial Officer with the interests of stockholders and to further promote the Company’s commitment to sound corporate governance. The guidelines require the executives to hold an amount of stock at least equal to (6) times annual base salary, which is then converted to a fixed number of shares. Shares that satisfy the stock ownership guidelines include: Company stock owned directly or indirectly with, or separately by, his or her immediate family members residing in the same household; shares held in trust for the benefit of the executive or his or her immediate family members; all unvested restricted stock with time-based vesting; shares issuable upon the settlement of restricted stock units; and shares held in the Company’s Deferred Compensation Plan. Unexercised stock options, or the non-vested portion of any performance-based restricted stock do not count towards satisfying the guidelines. Any newly appointed CEO, President or CFO will have five (5) years from the date of his or her appointment to comply with the guidelines. The Compensation Committee will monitor compliance with the stock ownership guidelines and has the authority to review and modify the guidelines as it deems appropriate.

Employee Benefit Plans

Our employees, including our NEOs, are entitled to various employee benefits, which generally include health care plans, flexible spending accounts, life and disability insurance, 401(k) Plan, paid time off, automobile benefits, as well as other allowances.

401(k) Plan

Our employees, including our NEOs, may participate in our 401(k) Plan, a defined contribution plan that qualifies under Section 401(k) of the Internal Revenue Code. Participating employees may contribute up to statutory limits. We make discretionary matching contributions, and currently match 50% of our employee contributions, up to 6% of each employee’s earnings on a per pay period basis, which vest at a rate of 25% upon completion of two years of service, 50% upon completion of three years of service and 100% upon completion of four years of service.

[Table of Contents](#)

Separation and Change in Control Arrangements

Certain of our NEOs, per the terms of their respective employment agreements and/or equity award agreements, are eligible for certain benefits and/or payments if there is a change in control and/or a termination of their employment, as described under “Potential Payments Upon Termination or Change in Control” beginning on page 29.

We believe these arrangements are an important part of overall compensation and will help to secure the continued employment and dedication of our NEOs prior to or following a change in control, notwithstanding any concern that they may have at such time regarding their own future and continued employment. In addition, we believe that these arrangements are an important recruitment and retention incentive. These arrangements do not provide for tax gross ups.

Tax Implications

The taxation and accounting consequences of our executive officer compensation programs were not material factors in our decisions in establishing or administering our executive officer compensation programs for fiscal year 2017. We retain the discretion to structure compensation in ways that may result in less than full deductibility, that may not maximize tax savings, and that may not minimize the accounting cost to the Company. With the enactment of the Tax Cuts and Jobs Act, the exemption from Section 162(m)’s (of the Internal Revenue Code) deduction limit for performance-based compensation has been repealed, effective for tax years beginning after December 31, 2017, such that compensation paid to covered executive officers in excess of \$1 million will not be deductible unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017.

Summary Compensation Table

The following table summarizes the total compensation of our NEOs during the fiscal years ended December 31, 2017, 2016 and 2015. During the fiscal year ended December 31, 2017, our NEOs were Rodney C. Sacks, Hilton H. Schlosberg, Mark J. Hall and Thomas J. Kelly.

In 2017 non-employee directors were entitled to receive an annual cash retainer of \$60,000. Except for committee chairs, members of the Audit Committee received an additional annual cash retainer of \$10,000 and members of the Compensation Committee and the Nominating Committee received an additional annual retainer of \$7,500. In 2017, non-employee directors were entitled to receive an annual equity retainer of approximately \$165,000, delivered in the form of restricted stock units that vest one day prior to the Annual Meeting.

Non-employee directors are subject to stock ownership guidelines that require directors to hold and retain 9,000 shares of the Company within three years from the date of appointment.

Non-Employee Directors Equity Compensation Plans

In 2017, the Company adopted the 2017 Directors Plan, a successor plan to the 2009 Monster Beverage Corporation Stock Incentive Plan for Non-Employee Directors (the "2009 Directors Plan"). The 2017 Directors Plan permits the granting of stock options, stock appreciation rights, restricted shares or restricted stock units, deferred awards, dividend equivalents, and other share based-awards up to an aggregate of 1,250,000 shares of common stock of the Company to non-employee directors of the Company.

Each calendar year, a non-employee director will receive an annual retainer and annual equity award, as provided for in the 2017 Directors Plan, which may be modified from time to time. Currently, with respect to equity awards, each non-employee director receives an award of restricted stock units at each annual meeting of the Company's stockholders or promptly thereafter. A non-employee director's annual award of restricted stock units will generally vest on earliest to occur of: (a) the last business day immediately preceding the annual meeting of the Company's stockholders in the calendar year following the calendar year in which the grant date occurs, (b) a Change of Control (as defined in the 2017 Directors Plan), (c) the non-employee director's death, or (d) the date of the non-employee director's separation from service due to disability, so long as the non-employee director remains a non-employee director through such date. The Board of Directors may in its discretion award non-employee directors stock options, stock appreciation rights, restricted stock, and other share-based awards in lieu of or in addition to restricted stock units. The Board of Directors may amend or terminate the 2017 Directors Plan at any time, subject to certain limitations set forth in the 2017 Directors Plan.

In 2017, the Company adopted the Deferred Compensation Plan for Non-Employee Directors (as a sub plan to the 2017 Directors Plan), pursuant to which the Board of Directors may permit non-employee directors to elect (a "Deferral Election"), at such times and in

accordance with rules and procedures (or sub-plan) adopted by the Board of Directors (which are intended to comply with Code Section 409A, as applicable), to receive all or any portion of such non-employee director's compensation, whether payable in cash or in equity, on a deferred basis. The 2017 Directors Plan was adopted to effectuate any such deferrals. The 2017 Directors Plan is administered by the Board of Directors. Each award granted under the 2017 Directors Plan will be evidenced by a written agreement and will contain the terms and conditions that the Board of Directors deems appropriate.

Under the 2017 Directors Plan, the Board of Directors requires each non-employee director to satisfy the share ownership guidelines set forth below, as may be amended by the Board of Directors from time to time. The current share ownership guidelines provide that non-employee directors of the Company must:

[Table of Contents](#)

- Hold at least 9,000 shares of Company common stock.
- The minimum stock ownership level must be achieved by each non-employee director by the third (3rd) anniversary of such non-employee director's initial appointment to the Board of Directors.
- Once achieved, ownership of the guideline amount should be maintained for so long as the non-employee director retains his or her seat on the Board of Directors.
- There may be rare instances where these guidelines would place a hardship on a non-employee director. In these cases or in similar circumstances, the Board of Directors will make the final decision as to developing an alternative stock ownership guideline for a non-employee director that reflects the intention of these guidelines and his or her personal circumstances.

EMPLOYEE EQUITY COMPENSATION PLAN INFORMATION

Employee Equity Compensation Plans

The Monster Beverage Corporation 2011 Omnibus Incentive Plan (the "2011 Incentive Plan") permits the granting of options, stock appreciation rights, restricted stock, restricted stock units, performance awards and other stock-based awards up to an aggregate of 43,500,000 shares of the common stock of the Company to employees or consultants of the Company and its subsidiaries. Shares authorized under the 2011 Incentive Plan are reduced by 2.16 shares for each share granted or issued with respect to a Full Value Award. A Full Value Award is an award other than an incentive stock option, a non-qualified stock option, or a stock appreciation right, which is settled by the issuance of shares. Options granted under the 2011 Incentive Plan may be incentive stock options under Section 422 of the Internal Revenue Code, as amended, or non-qualified stock options. The Compensation Committee has sole and exclusive authority to grant stock awards to all employees who are not new hires and to all new hires who are subject to Section 16 of the Exchange Act. The Compensation Committee and the Executive Committee each independently has the authority to grant stock awards to new hires and employees receiving a promotion who are not Section 16 employees. Awards granted by the Executive Committee are not subject to approval or ratification by the Board or the Compensation Committee. Options granted under the 2011 Incentive Plan generally vest over a five-year period from the grant date and are generally exercisable up to 10 years after the grant date. Restricted stock granted under the 2011 Incentive Plan generally vests over a two- to three-year period from the grant date. Restricted stock units granted under the 2011 Incentive Plan generally vests over a two- to five-year period from the grant date. The 2011 Incentive Plan replaced the Hansen Natural Corporation 2001 Amended Option Plan, which was terminated effective as of May 19, 2011.

In December 2017, we amended and restated the Deferred Compensation Plan, which is a sub plan to the 2011 Incentive Plan. Under the Deferred Compensation Plan, eligible employees may elect to defer cash and/or equity based compensation and to receive the deferred amounts, together with an investment return (positive or negative), either at a pre-determined time in the future or upon termination of their employment with the Company or its subsidiaries or affiliates that are participating employers under the Deferred Compensation Plan, as provided under the Deferred Compensation Plan and in relevant deferral elections. Deferrals under the Deferred Compensation Plan are unfunded and unsecured.

The 2011 Incentive Plan is administered by the Compensation Committee. Grants under the 2011 Incentive Plan are made pursuant to individual agreements between the Company and each grantee that specifies the terms of the grant, including the exercise price, exercise period, vesting and other terms thereof.

CEO PAY RATIO

Pursuant to Item 402(u) of Regulation S-K and Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company is required to provide the ratio of the annual total compensation of Mr. Sacks, who has served as the Company's Chief Executive Officer since November 1990, to the annual total compensation of the median employee of the Company.

As reported in the Summary Compensation Table, Mr. Sack's annual total compensation for 2017 was \$12,505,080, and the median annual total compensation of all employees of the Company and its subsidiaries (other than the Chief Executive Officer) was \$48,773. Based on this information, for 2017, the ratio of the compensation of the Chief Executive Officer to the median annual total compensation of all other employees (other than the Chief Executive Officer) was estimated to be 256:1.

To identify, and to determine the annual total compensation of, the median employee, we used the following methodology:

- We collected the payroll data of all active full-time and part-time employees globally as of December 31, 2017, which is also the date the Company selected for identifying its median employee.
- We applied a 6-month average exchange rate from July 1, 2017 through December 31, 2017, to convert all international currencies into U.S. dollars.

[Table of Contents](#)

- We used total cash compensation as of December 31, 2017 which includes base pay, bonus and other prevalent local allowances in certain foreign countries, as our consistently applied compensation measure.
- Using this methodology, we determined that the median employee was a non-exempt, full-time employee located in the U.S. with an annual total compensation of \$48,773 for 2017, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K.

Because the SEC rules for identifying the median employee and calculating the pay ratio allow companies to use different methodologies, exemptions, estimates and assumptions, the above disclosure may not be comparable to the pay ratio reported by other companies and is only a reasonable estimate.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

The Board has determined that Messrs. Epstein, Fayard, Polk, Selati, Taber and Vidergauz are independent directors under applicable NASDAQ Marketplace Rules and SEC regulations.

Each director and nominee for election as a director delivers to the Company annually a questionnaire that includes, among other things, information relating to any transactions the director or nominee, or their family members, may have with the Company, or in which the director or nominee, or such family member, has a direct or indirect material interest.

The Board, as well as its Audit Committee, reviews, approves and monitors all related-party transactions. The Audit Committee's policies and procedures for related-party transactions are not in writing, but the proceedings are documented in the minutes of the Board and/or Audit Committee meetings. The Audit Committee will assess, among factors it deems appropriate, whether the transaction is on terms no more favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. The Audit Committee is responsible for reviewing all related-party transactions on a continuing basis as well as potential conflict of interest situations where appropriate. No director will participate in any discussion or approval of a transaction for which he is a related party, except that this director will provide all material information concerning the transaction to the Audit Committee.

During 2017, we purchased promotional items from IFM Group, Inc. ("IFM"). Rodney C. Sacks, together with members of his family, owns approximately 27% of the issued shares in IFM. Hilton H. Schlosberg, together with members of his family, owns approximately 58% of the issued shares in IFM. Expenses incurred with such company in connection with promotional materials

purchased during the fiscal years ended December 31, 2017 and 2016 were \$2.2 million and \$1.5 million, respectively. We continue to purchase promotional items from IFM in 2018.

Carly Rothenberg, who joined the Company's legal department in August 2016 from a top-tier international law firm, is Mr. Schlosberg's daughter. The aggregate value of compensation paid to Ms. Rothenberg in 2017 was less than \$265,000, including equity awards, computed in accordance with ASC 718. Her compensation, including her equity awards, is comparable to other employees of the Company who hold analogous positions.

AUDIT COMMITTEE

For the fiscal year ended December 31, 2017, the Company's Audit Committee was comprised of Mr. Epstein (Chairman until February 27, 2015), Mr. Taber and Mr. Selati (Chairman since February 27, 2015). Mr. Fayard was appointed to the Audit Committee in February 2016. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is available on our website at <http://investors.monsterbevcorp.com/governance.cfm>. The Board of Directors has determined that the members of the Audit Committee are "independent," as defined in the NASDAQ Marketplace Rules and SEC regulations relating to audit committees, meaning that they have no relationship to the Company that may interfere with the exercise of independent judgment in carrying out their responsibilities of a director.

Duties and Responsibilities

The Audit Committee consists of four independent directors (as independence is defined by NASD Rule 5605(a)(2)). Our Board of Directors has determined that Mr. Selati is (1) an "audit committee financial expert," as that term is defined in Item 407(d)(5) of Regulation S-K of the Exchange Act, and (2) independent as defined by the NASDAQ Marketplace Rules and Section 10A(m)(3) of the Exchange Act. The Audit Committee appoints, determines funding for, oversees and evaluates the independent registered public accounting firm with respect to accounting, internal controls and other matters, and makes other decisions with respect to audit and finance matters including the review of our quarterly and annual filings on Form 10-Q and Form 10-K. The Audit Committee also pre-approves the retention of the independent registered public accounting firm, and the independent registered public accounting firm's fees for all audit and non-audit services provided by the independent registered public accounting firm and determines whether the provision of non-audit services is compatible with maintaining the independence of the independent registered public accounting firm. In addition, during 2017, the principal internal auditor and management documented, tested and evaluated the Company's internal control over financial reporting system in accordance with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advice during the process. In connection with this oversight, the Audit Committee received periodic updates provided by the principal internal auditor, management and Deloitte, the Company's independent registered public accounting firm at least quarterly at an Audit Committee meeting. All members of the Audit Committee are able to read and understand financial statements and have experience in finance and accounting that provides them with financial sophistication.

Pursuant to authority delegated by the Board of Directors and the Audit Committee's written charter, the Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to:

- the integrity of the Company's financial statements;
- the Company's systems of internal controls regarding finance and accounting as established by management;
- the qualifications and independence of the independent registered public accounting firm;
- the performance of the Company's independent registered public accounting firm;
- the Company's auditing, accounting and financial reporting processes generally; and
- compliance with the Company's ethical standards for senior financial officers and all personnel.

In fulfilling its duties, the Audit Committee maintains free and open communication with the Board, the independent registered public accounting firm, financial management and all employees.

Report of the Audit Committee

In connection with these responsibilities, the Audit Committee met with management and Deloitte & Touche LLP, the Company's independent registered public accounting firm, to review and discuss the Company's audited financial statements for the fiscal year ended December 31, 2017. The Company believes that its choice to use Deloitte & Touche LLP to review and discuss the Company's audited financial statements for the fiscal year ended December 31, 2017 is in the best interests of the Company and its shareholders. The Audit Committee also discussed with the independent registered public accounting firm the matters required by the Public Company Accounting Oversight Board (the "PCAOB") Auditing Standard No. 16. The Audit Committee also received from

Deloitte & Touche LLP the written disclosures and the letter required by PCAOB Rule 3526 “Communication with Audit Committees Concerning Independence”, as may be modified or supplemented, and has discussed with Deloitte & Touche LLP its independence. The Audit Committee is actively engaged in a dialogue with Deloitte & Touche LLP with respect to any disclosed relationships or services that might affect Deloitte & Touche LLP’s objectivity and independence.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

NOMINATING COMMITTEE

For the fiscal year ended December 31, 2017, the Company's Nominating Committee was comprised of Mr. Taber (Chairman), Mr. Epstein and Mr. Selati. The Nominating Committee assists the Board in fulfilling its responsibilities by establishing, and submitting to the Board for approval, criteria for the selection of new directors, identifying and approving individuals qualified to serve as members of the Board, selecting director nominees for our annual meetings of stockholders, evaluating the performance of the Board, reviewing and recommending to the Board any appropriate changes to the committees of the Board, and developing and recommending to the Board corporate governance guidelines and oversight with respect to corporate governance and ethical conduct. Process for Selection and Nomination of Directors

In connection with the process of selecting and nominating candidates for election to the Board, the Nominating Committee reviews the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of the Company and the Board. Among the qualifications to be considered in the selection of candidates, the Nominating Committee considers the experience, knowledge, skills, expertise, diversity, personal and professional integrity, character, business judgment, time available in light of other commitments and dedication of any particular candidate, as well as such candidate's past or anticipated contributions to the Board and its committees so that the Board includes members, where appropriate, with diverse backgrounds, knowledge and skills relevant to the business of the Company. In April 2015, the charter for the Nominating Committee was amended to state that diversity of race, ethnicity, gender, sexual orientation and gender identity are factors in evaluating suitable candidates for Board membership. See "Deadlines for Receipt of Stockholder Proposals" for information regarding nominations of director candidates by stockholders for the 2019 annual meeting of stockholders.

Though the Nominating Committee does not solicit recommendations for director candidates, the Nominating Committee has a policy regarding the consideration of any director candidates recommended by stockholders. Suggestions for candidates to the Board may be made in writing and mailed to the Nominating Committee, c/o Office of the Secretary, Monster Beverage Corporation, 1 Monster Way, Corona, CA 92879. Nominations must be submitted in a manner consistent with our by-laws. We will furnish a copy of the by-laws to any person, without charge, upon written request directed to the Office of the Secretary at our principal executive offices. Each candidate suggestion made by a stockholder must include the following:

[Table of Contents](#)

- the candidate's name, contact information, detailed biographical material, qualifications and an explanation of the reasons why the stockholder believes that this candidate is qualified for service on the Board;
- all information relating to the candidate that is required to be disclosed in solicitations of proxies for elections of directors in an election contest, or as otherwise required, under the securities laws;
- a written consent of the candidate to be named in a Company proxy statement as a nominee and to serve as a director, if elected; and
- a description of any arrangements or undertakings between the stockholder and the candidate regarding the nomination.

Our Nominating Committee will evaluate all stockholder-recommended candidates on the same basis as any other candidate.

Director Resignation Policy

The Board has a director resignation policy. This policy provides that, in an uncontested election, any incumbent director nominee who receives a greater number of votes “WITHHELD” from his or her election than votes “FOR” his or her election must promptly tender his or her resignation to the Board following certification of the election results. The Nominating Committee will review the circumstances surrounding the election and recommend to the Board whether to accept or reject the resignation. The Board must act on the tendered resignation. If such resignation is rejected, the Board must publicly disclose its decision, together with the rationale supporting its decision, within 90 days after certification of the election results. A copy of the director resignation policy is available on our website at <http://investors.monsterbevcorp.com/governance.cfm>.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018

The Audit Committee has appointed Deloitte & Touche LLP, an independent registered public accounting firm, to audit the financial statements of the Company for the fiscal year ending December 31, 2018. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions from stockholders of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF DELOITTE & TOUCHE LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL THREE

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables our stockholders to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with SEC rules.

Our executive compensation program for our Named Executive Officers is designed to motivate our executive talent, to reward those individuals fairly over time for achieving performance goals, to retain those individuals who continue to perform at or above the levels that are deemed essential to ensure our long-term success and growth and to attract, as needed, individuals with the skills necessary for us to achieve our business plan. We believe our compensation policies are designed to reinforce a sense of ownership and overall entrepreneurial spirit and to link rewards to measurable corporate and qualitative individual performance. See “Compensation Discussion and Analysis” above.

We urge stockholders to read the Compensation Discussion and Analysis, as well as the Summary Compensation Table and related tables and narrative that follow it. This proposal is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the policies and practices described in this proxy statement.

The Board requests that stockholders approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the stockholders of Monster Beverage Corporation (the “Company”) approve, on an advisory basis, the compensation of the Company’s Named Executive Officers described in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables and narrative in the Proxy Statement for the Company’s Annual Meeting of Stockholders.

While the vote on the resolution is advisory in nature and therefore will not bind us to take any particular action, our Board and the Compensation Committee intend to carefully consider the stockholder vote resulting from the proposal in making future decisions regarding our compensation program.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL FOUR

The Company received the following resolution and supporting statement submitted by the As You Sow (“As You Sow”), on behalf of David Deutsch Trust, Eldami Family Limited Partnership, Edwards Mother Earth Foundation, Arkay Foundation and Fredkin Family Trust UA DTD 02051992 (collectively, the “Proponents”), and is including the proposal in this Proxy Statement in accordance with Rule 14a-8 under the Exchange Act. The address and stock ownership for the As You Sow and each of the Proponents will be furnished promptly upon receipt of any oral or written request addressed to the Company Secretary at the Company’s executive offices.

[Table of Contents](#)

The following stockholder proposal (the “Slavery and Human Trafficking Report Proposal”) and supporting statement are presented as submitted by As You Sow and are quoted verbatim.

Report on Human Trafficking and Forced Labor in Supply Chains

WHEREAS: An estimated 40 million people are victims of modern slavery, with 24.9 million in forced labor.¹ These victims work in virtually every industry and across sectors in a company’s supply chain. According to the U.N. Guiding Principles,² companies have a corporate responsibility to respect human rights within their operations and supply chains. The issue is seen as a material risk for shareholders due to potential litigation and loss of revenue by brand association with slavery.

The October 2016, Know the Chain, *Food & Beverage Benchmark Findings Report* scored Monster at zero (0), stating, “Monster Beverage Corporation places last on the benchmark, underperforming across all thematic areas relative to its peers.” This reflects poor transparency and disclosure in managing human trafficking and forced labor risks in its supply chain. In contrast, Coca-Cola, Nestlé, and Pepsico, scored 58, 57, and 45 respectively. While Monster has since published its forced labor policies on its website, it still does not report risk analysis and monitoring metrics down to the commodity level consistent with its peers.

Monster Beverage’s ingredients lists contain sucrose and glucose, both are derived from cane or beet sugar. Forced labor is known to be present in the production of sugar cane in Bolivia, Brazil, Dominican Republic, Guatemala, India, Myanmar, and Pakistan according to the U.S. Department of Labor.³ Verité, an independent NGO, confirms the forced labor practices in the sugar cane industry globally. Monster has not disclosed what practices it has in place to address forced labor in these countries although nine other peers have done so according to the August 2017 report, “*How Food and Beverage Companies Tackle Forced Labor Risks in Sugarcane Supply Chains.*”

Monster also does not report on Supply Chain Transparency or Monitoring and Certification. Peers including Coca-Cola, a major Monster shareholder, discloses a map highlighting countries of origin. Others disclose names and addresses of sugar suppliers. Many of Monster’s peers disclose how they monitor sugarcane field working conditions.

Monster states that it does not conduct unannounced supplier compliance audits because of assumed minimal risk of slavery and human trafficking, yet there is no detail of how this was determined, beyond simple assurances by suppliers of compliance with the law. As shareholders, we lack confidence in Monster’s conclusion that it is exposed to minimal risk of slavery and trafficking based on the limited information provided and the number of sugar production countries where forced and child labor is known to exist.

BE IT RESOLVED: Shareholders request Monster Beverage to issue a report containing the criteria and analytical methodology used to determine its conclusion of “minimal risk” of slavery and human trafficking in its sugarcane supply chain. The report should be available by November 15, 2018, prepared at reasonable cost, and omitting proprietary and privileged information.

SUPPORTING STATEMENT: In its report Monster should consider following industry peers’ best practices for verifying that suppliers comply with its standards.

THE COMPANY’S STATEMENT IN OPPOSITION

The Board has carefully considered the Slavery and Human Trafficking Report Proposal and, for the reasons described below, believes that issuing a slavery and human trafficking report in the form contemplated by the Slavery and Human Trafficking Report Proposal is unnecessary and not in the best interests of the Company or its stockholders. The Board recognizes the importance of preventing slavery and human trafficking in the Company’s supply chain, and believes that the Company’s current programs reflect a

commitment to this prevention, including with respect to its sugarcane supply chain. The Board believes that a separate report containing the criteria and analytical methodology used to determine the Company’s conclusion of “minimal risk” of slavery and human trafficking in the Company’s sugarcane supply chain is neither necessary nor an efficient use of corporate resources, given that (i) the Company’s current practices and the information on the Company’s website appropriately demonstrates the Company’s commitment to the prevention of slavery and human trafficking in its sugarcane supply chain, (ii) the Company does not directly manufacture finished goods, but instead outsources its manufacturing process to third-party bottlers and contract packers and (iii) a slavery and human trafficking report is expensive, time consuming and largely duplicative of information already available.

The Company currently reports its initiatives to tackle slavery and human trafficking, including in its sugarcane supply chain, which the Slavery and Human Trafficking Report Proposal seeks to address. The proposal does not take into account the Company’s existing initiatives for slavery and human trafficking in the Company’s sugarcane supply chain. In opposing the Slavery and Human Trafficking Report Proposal, the Company is merely resisting the requirement to devote Company resources to comprehensively gathering data and publishing a slavery and human trafficking report in its sugarcane supply chain. This should not be interpreted as a lack of concern by the Board or the Company about slavery and human trafficking, or that the Board or Company is unwilling to implement further appropriate practices related to the prevention of slavery and human trafficking.

The Slavery and Human Trafficking Report Proposal states that the Company “does not report on Supply Chain Transparency or Monitoring and Certification.” As indicated on the Company’s website, the Company sends surveys to all of its direct suppliers which ask for certification that all materials incorporated into the products supplied to the Company comply with the laws regarding slavery and human trafficking in the country or countries in which such suppliers do business. In response to the most recent surveys it sent, the Company received responses via survey and/or other documentation from 100% of its direct sugarcane suppliers. Further, the Company conducts business with a limited number of direct top-tier suppliers that adhere to high ethical standards. The Company expects its suppliers of raw materials to adhere to the laws regarding slavery and human trafficking, and if we have evidence that a supplier is not doing so, we will take corrective action, including terminating the Company’s business dealings with such offending supplier.

In addition, the Slavery and Human Trafficking Report Proposal refers to a Know the Chain report titled *Food & Beverage Benchmark Findings Report* that scored Monster at zero (0), however, this report was issued prior the Company’s website disclosure on slavery and human trafficking. The Slavery and Human Trafficking Report Proposal fails to take into account that the Company is working to improve its efforts to prevent slavery and human trafficking in its supply chain. As stated in the Company’s website, in the coming year the Company intends to “further refine its efforts related to training employees and monitoring suppliers and informing suppliers that their partners have policies and goals related to the elimination of forced labor and human trafficking in their supply chains.” The Company does not believe a

[Table of Contents](#)

formal slavery and human trafficking report regarding its sugarcane supply chain will bring additional value to the Company, as the Company intends to continue to improve its efforts related to the prevention of slavery and human trafficking in its sugarcane supply chain, including making website disclosures related to such efforts, which will be available to the Company’s shareholders and the general public.

The Company does not directly manufacture finished goods, which makes it more difficult for the Company to report risk analysis and monitoring metrics consistent with manufacturing companies. The Slavery and Human Trafficking Report Proposal refers to the Know the Chain report titled *How Food and Beverage Companies Tackle Forced Labor Risks in Sugarcane Supply Chains*, to state that the Company’s disclosure does not match nine other companies that they refer to as peers. The nine companies referred to in the report materially differ from the Company because they all manufacture their own finished goods, whereas the Company does not directly manufacture finished goods, but instead outsources the manufacturing process to third-party bottlers and contract packers. Given that the Company does not directly engage in the manufacturing process, it makes it more difficult and expensive for the Company to report risk analysis and monitoring metrics down to the commodity level with respect to its supply chain as requested in the proposal.

Preparing a slavery and human trafficking report regarding its sugarcane supply chain is expensive, time consuming and largely duplicative of information already available. The Slavery and Human Trafficking Proposal requests the Company issue a report containing the criteria and analytical methodology used to determine its conclusion of “minimal risk” of slavery and human trafficking in its sugarcane supply chain, which should be prepared at a “reasonable cost.” However, because the information related to this conclusion is already available on the Company’s website, it would be largely duplicative to include such information in a formal report. Further, preparing a formal report would require significant cost, both in dollars and employee time, which would outweigh any potential benefits of such a report. The Board does not believe that it is in the best interests of the Company to dedicate such significant costs to develop a report which lacks a tangible return for the Company’s shareholders, and that management should continue to focus on improving areas of the Company that can provide tangible results to the Company’s shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “AGAINST” THE ADOPTION OF THE SLAVERY AND HUMAN TRAFFICKING REPORT PROPOSAL
