The press release did not include certain financial statements, related footnotes and certain other financial information that will be filed with the Securities and Exchange Commission as part of the Company’s Quarterly Report on Form 10-Q.

On May 2, 2024, the Company will conduct a conference call at 2:00 p.m. Pacific Time. Item 8.01. Other Events.

On May 2, 2024, the Company disclosed the information set forth below.

Intention to Commence Tender Offer

The Company intends to commence a modified “Dutch Auction” tender offer for up to \$3.0 billion in value of shares of its common stock, subject to market conditions, at a specified price range that is yet to be determined. The Company believes that the tender offer represents an efficient mechanism to permit shareholders the opportunity to obtain liquidity without the potential disruption that can result from market sales.

The Company expects to fund the tender offer with approximately \$2.0 billion of cash on hand and approximately \$1.0 billion in combined borrowings, consisting of a new revolving credit facility and a new delayed draw term loan facility, each expected to be consummated prior to the completion of the tender offer. The tender offer will be made outside of the Company’s previously authorized repurchase programs and will allow the Company to retain the ability to purchase additional shares through the previously authorized repurchase programs in the future.

The Company's Co-CEOs have indicated that they intend to participate in the offer for investment diversification and estate planning purposes. Mr. Sacks' participation, in particular, may provide him some flexibility to consider his own potential options, which may also help the Company continue succession planning for its next phase of leadership. In this regard, after consultation with the Company's Board of Directors (the “Board”), Mr. Sacks is considering reducing his day-to-day management responsibilities starting in 2025, while continuing to manage certain areas of the Company's business for which he has always been responsible. At that time, Mr. Sacks intends to remain Chairman of the Board, and Mr. Schlosberg would segue from Co-CEO to CEO.

Additional Information Regarding the Tender Offer

This communication is for informational purposes only, is not a recommendation to buy or sell the Company's common stock and does not constitute an offer to buy or the solicitation of an offer to sell the Company's common stock. The tender offer described in this communication has not yet commenced, and there can be no assurances that the Company will commence the tender offer on the terms described in this communication or at all. The tender offer will be made only pursuant to an offer to purchase, letter of transmittal and related materials that the Company expects to distribute to its shareholders and file with the U.S. Securities Exchange Commission (the “Commission”) upon commencement of the tender offer. SHAREHOLDERS AND INVESTORS SHOULD READ CAREFULLY THE OFFER TO PURCHASE, LETTER OF TRANSMITTAL AND RELATED MATERIALS BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION, INCLUDING THE VARIOUS TERMS OF, AND CONDITIONS TO, THE TENDER OFFER. Once the tender offer is commenced, shareholders and investors will be able to obtain a free copy of the tender offer statement on Schedule TO, the offer to purchase, letter of transmittal and other documents that the Company expects to file with the Commission at the Commission's website at www.sec.gov or by calling the Information Agent (to be identified at the time the offer is made) for the tender offer.

Corona, CA – May 2, 2024 – Monster Beverage Corporation (NASDAQ: MNST) today reported financial results for the three-months ended March 31, 2024.

Net sales for the 2024 first quarter increased 11.8 percent to \$1.90 billion, from \$1.70 billion in the comparable period last year. Net changes in foreign currency exchange rates had an unfavorable impact on net sales for the 2024 first quarter of \$64.4 million (\$50.4 million related to Argentina). Net sales on a foreign currency adjusted basis increased 15.6 percent in the 2024 first quarter (12.6 percent exclusive of Argentina's impact). The difference between reported net sales and net sales on a foreign currency adjusted basis was largely due to the impact of inflation related local currency price increases in Argentina, as well as the significant decrease in the Argentine Peso relative to the U.S. Dollar.

Net sales for the Company's Monster Energy® Drinks segment, which primarily includes the Company's Monster Energy® drinks, Reign Total Body Fuel® high performance energy drinks, Reign Storm® total wellness energy drinks, Bang Energy® drinks and Monster Tour Water®, increased 10.7 percent to \$1.73 billion for the 2024 first quarter, from \$1.56 billion for the 2023 first quarter. Net changes in foreign currency exchange rates had an unfavorable impact on net sales for the Monster Energy® Drinks segment of approximately \$54.6 million for the 2024 first quarter (\$50.4 million related to Argentina). Net sales on a foreign currency adjusted basis for the Monster Energy® Drinks segment increased 14.2 percent in the 2024 first quarter (11.0 percent exclusive of Argentina's impact).

(more)

Net sales for the Company's Strategic Brands segment, which primarily includes the various energy drink brands acquired from The Coca-Cola Company, as well as the Company's affordable energy brands Predator® and Fury®, increased 25.6 percent to \$108.4 million for the 2024 first quarter, from \$86.4 million in the 2023 first quarter. Net changes in foreign currency exchange rates had an unfavorable impact on net sales for the Strategic Brands segment of approximately \$9.8 million for the 2024 first quarter. Net sales on a foreign currency adjusted basis for the Strategic Brands segment increased 36.9 percent in the 2024 first quarter.

Net sales for the Alcohol Brands segment, which is comprised of The Beast Unleashed®, Nasty Beast™ Hard Tea, as well as various craft beers and hard seltzers, increased 21.1 percent to \$56.1 million for the 2024 first quarter, from \$46.3 million in the 2023 first quarter.

Net sales for the Company's Other segment, which primarily includes certain products of American Fruits and Flavors, LLC, a wholly owned subsidiary of the Company, sold to independent third-party customers (the "AFF Third-Party Products"), increased 19.9 percent to \$5.5 million for the 2024 first quarter, from \$4.6 million in the 2023 first quarter.

Net sales to customers outside the United States increased 19.5 percent to \$744.1 million in the 2024 first quarter, from \$622.9 million in the 2023 first quarter. Such sales were approximately 39 percent of total net sales in the 2024 first quarter, compared with 37 percent in the 2023 first quarter. Net sales to customers outside the United States, on a foreign currency adjusted basis, increased 29.8 percent in the 2024 first quarter (21.7 percent exclusive of Argentina's impact).

Gross profit as a percentage of net sales for the 2024 first quarter was 54.1 percent, compared with 52.8 percent in the 2023 first quarter. The increase in gross profit as a percentage of net sales was primarily the result of decreased freight-in costs, pricing actions in certain markets and lower input costs, partially offset by geographical sales mix.

Operating expenses for the 2024 first quarter were \$485.1 million, compared with \$412.8 million in the 2023 first quarter. Operating expenses as a percentage of net sales for the 2024 first quarter were 25.5 percent, compared with 24.3 percent in the 2023 first quarter.

Distribution expenses for the 2024 first quarter were \$94.4 million, or 5.0 percent of net sales, compared with \$76.3 million, or 4.5 percent of net sales, in the 2023 first quarter.

Selling expenses for the 2024 first quarter were \$174.4 million, or 9.2 percent of net sales, compared with \$149.0 million, or 8.8 percent of net sales, in the 2023 first quarter.

General and administrative expenses for the 2024 first quarter were \$216.3 million, or 11.4 percent of net sales, compared with \$187.4 million, or 11.0 percent of net sales, for the 2023 first quarter. Stock-based compensation was \$22.5 million for the 2024 first quarter, compared with \$16.1 million in the 2023 first quarter.

Operating income for the 2024 first quarter was \$542.0 million, compared with \$485.1 million in the 2023 first quarter.

The effective tax rate for the 2024 first quarter was 23.5 percent, compared with 20.1 percent in the 2023 first quarter. The increase in the effective tax rate was primarily attributable to the decrease in the stock-based compensation deduction in the 2024 first quarter as compared to the 2023 first quarter.

(more)

Net income for the 2024 first quarter increased 11.2 percent to \$442.0 million, from \$397.4 million in the 2023 first quarter. Net income per diluted share for the 2024 first quarter increased 12.0 percent to \$0.42, from \$0.38 in the first quarter of 2023.

Hilton H. Schlosberg, Vice Chairman and Co-Chief Executive Officer, said, “We continue to see growth in the energy drink market globally. In the United States, energy is the only segment of the beverage category currently showing unit growth. We continue to grow our sales in non-Nielsen measured channels.

“We achieved another quarter of solid revenue growth, with record first quarter sales. The quarter was again impacted by unfavorable foreign currency exchange rates in certain markets.

“We are pleased to report gross profit margin improvement in the first quarter, which increased significantly when compared to the 2023 first quarter. This improvement was primarily the result of decreased freight-in costs, pricing actions in certain markets and lower input costs, partially offset by geographical sales mix,” Schlosberg said.

Rodney C. Sacks, Chairman and Co-Chief Executive Officer, said, “Innovation continues to play an important role in our strategy and contributed to our record sales in this quarter. We launched a number of new innovation products in the quarter, including Monster Energy® Ultra Fantasy Ruby Red™, Juice Monster® Rio Punch™ and Java Monster® Irish Crème in the United States.

“Predator Energy®, our affordable energy brand, was launched in the Philippines during the quarter.

“In April 2024, we launched Predator Energy® Gold Strike in a non-carbonated formula in a 500 ml PET bottle, in selected provinces in China. Initial response to this product has been positive.

“The Beast Unleashed® is now available in 49 states and we have commenced with distribution of The Beast Unleashed® in 24 oz. single serve cans in the convenience and gas channel. Nasty Beast™, our new hard tea line was launched in 12 oz. variety packs in January 2024 and in 24 oz. single serve cans in February 2024, and is now available in 49 states. Early response to our hard tea line has been positive.

“Our innovation pipeline for both our non-alcoholic and alcoholic beverages remains strong,” Sacks said.

Share Repurchase Program

During the 2024 first quarter, the Company purchased approximately 1.8 million shares of its common stock at an average purchase price of \$54.96 per share, for a total amount of \$97.2 million (excluding broker commissions). As of May 2, 2024, approximately \$642.4 million remained available for repurchase under the previously authorized repurchase programs.

Intention to Commence Tender Offer

The Company intends to commence a modified “Dutch Auction” tender offer for up to \$3.0 billion in value of shares of its common stock, subject to market conditions, at a specified price range that is yet to be determined. The Company believes that the tender offer represents an efficient mechanism to permit shareholders the opportunity to obtain liquidity without the potential disruption that can result from market sales.

(more)

The Company expects to fund the tender offer with approximately \$2.0 billion of cash on hand and approximately \$1.0 billion in combined borrowings, consisting of a new revolving credit facility and a new delayed draw term loan facility, each expected to be consummated prior to the completion of the tender offer. The tender offer will be made outside of the Company's previously authorized repurchase programs and will allow the Company to retain the ability to purchase additional shares through the previously authorized repurchase programs in the future.

The Company's Co-CEOs have indicated that they intend to participate in the offer for investment diversification and estate planning purposes. Mr. Sacks' participation, in particular, may provide him some flexibility to consider his own potential options, which may also help the Company continue succession planning for its next phase of leadership. In this regard, after consultation with the Company's Board, Mr. Sacks is considering reducing his day-to-day management responsibilities starting in 2025, while continuing to manage certain areas of the Company's business for which he has always been responsible. At that time, Mr. Sacks intends to remain Chairman of the Company's Board and Mr. Schlosberg would segue from Co-CEO to CEO.
