Explanation of Responses:

1. Each restricted stock unit represented either (i) a contingent right to receive one share of the Company's common stock or (ii) a cash amount equal to the number of shares received as of the vesting date. The reporting person settled restricted stock units in cash.

2. The options are currently vested.

3. In connection with the reporting person's continuous service as a non-employee director of the Company, such reporting person has been granted options one day prior to the Company's annual shareholder meeting. The number of options granted is equal to \$45,000, calculated using the Black-Scholes valuation methodology on the date of grant. Options become fully vested on the last business day prior to the Company's 2012 annual shareholder meeting, provided that the reporting person continues as a director of the Company through such date.

4. Each restricted stock unit represents either (i) a contingent right to receive one share of the Company's common stock or (ii) a cash amount equal to the number of shares received as of the vesting date.

5. The restricted stock units vest with respect to 100% of such restricted stock units on the last business day prior to the Company's 2012 annual shareholder meeting, provided that the reporting person continues as a director of the Company through such date.

6. N/A.
