**Explanation of Responses:**

- On March 27, 2023, the common stock of the Company split 2-for-1 (the "Stock Split"). As a result, the reporting person received one additional share for every one share of common stock held prior to the Stock Split.
- Each restricted stock unit represents either (i) a contingent right to receive one share of the Company's common stock or (ii) a cash amount equal to the number of shares received as of the vesting date.
- The restricted stock units vest with respect to 100% of such restricted stock units on the last business day prior to the Company's 2023 annual stockholder meeting, provided that the reporting person continues as a director of the Company through such date.
- Not applicable.
- No transaction is being reported at this time. This line is only reporting holdings as of the date hereof.
- Due to the Stock Split, the number of shares of common stock to be settled by the Company and delivered to the reporting person under the Company's equity incentive compensation plans or agreements governing restricted stock units (or the cash equivalent of such shares) were doubled.
